

Neighbourhood Plan Vision Survey

A Neighbourhood Plan is a written document that details a community's direct power to develop a shared vision for their neighbourhood and to shape the development and growth of their local area. It is developed through a community process to lay down in a formal document, how we wish the parish to develop over the coming years and this survey is to establish what is important to the people of Springthorpe and Sturgate.

1. Your details

We are collecting these details to ensure we are only collecting answers from those that live in Springthorpe and Sturgate, and so that we can ensure those addresses who have not submitted a response have been aware of their opportunity to have their say. These personal details will not be published alongside any answers.
